SENATOR KELLY: Mr. President, I agree with your ruling and I hereby withdraw my motion.

PRESIDENT: Thank you. Senator Goodrich. Senator Barnett.

SENATOR BARNETT: I have a question of Senator Marvel, if he could answer it. Senator Marvel, I heard on that last request, number 2522 page 32, that that program was for funding of the Sun Program, did you say?

SENATOR MARVEL: No sir. No.

SENATOR BARNETT: Then I misunderstood you.

SENATOR MARVEL: Let me put it this way, without taking up too much time because I think we jumped in here and fouled up the schedule. There will be money requested from the University of Nebraska which we will hear tomorrow. If you're interested in this program I encourage you to come down to 1003 at 2 o'clock to put general fund money in the Sun Program. All this does is to increase their cash and revolving funds. No general fund money in it. No sir.

SENATOR BARNETT: OK. Thank you. That's what I want.

PRESIDENT: The question is the adoption of the specific amendments. Record your vote. Record.

CLERK: 34 ayes, 0 nays.

PRESIDENT: Senator Marvel do you advance the bill then?

SENATOR MARVEL: I move that 537 be readvanced to E & R for engrossment.

PRESIDENT: Any discussion? The question is shall LB 537, as amended, be advanced. All in favor say aye. Contrary nay. The bill is so advanced.

CLERK: Mr. President, motion on the desk. I move to return LB 537 to Select File for specific amendment, to strike \$40,032 from the cosmetology program. Signed, Senator Kelly.

PRESIDENT: Senator Kelly.

SENATOR KELLY: Mr. President, I move that we return LB 537 to Select File for specific amendment. The amendments on the desk.

PRESIDENT: Any further discussion? The question . . . Senator Cavanaugh.

SENATOR CAVANAUGH: Is it proper now to ask why? OK, why Senator?

PRESIDENT: I think general debate can be had now, so long as it isn't repeated. It's just to return for the purpose of the amendment. So the amendment itself is not before us. Would you choose to wait, Senator Cavanaugh?
